

Dear All, 10th January 2021

**WEBSITE:** We have just launched a new-look Website on our web address: [www.stlukes-grayshott.org](http://www.stlukes-grayshott.org). It looks fresher, but it is a work in progress, and will be developed over the next month or so. Massive thanks to Gordon Sanderson for being our faithful website admin for years... He is part of a team who will be looking after different areas of the editorial. Please note we are updating the Website Calendar to include links to meetings. [HERE](#)  
We also want to get the Church database updated, a project that Lockdown is holding up a bit, but we will be communicating with you in due course about this.

**STAYING TOGETHER:** With the current restrictions and the apparent spread of a more infectious virus, we are being asked to be even more careful than we have been. The topic for this Sunday is 'Identity'; Knowing who we are as 'the people of God', and the personal security that this provides, emotionally and spiritually, is a vital part of our personal care, and how we are joined together. Isolation is stressful, so encouragement and connection are vital. I trust that you find the service and extra Bishop's sermon helpful. You are invited to our monthly prayer meeting, and of course our Grand Quiz tonight. We are hoping you will come, just click on the Zoom Link below!
