Dear St Luke's,

As I reflect on this new year, and pray for the Lord to guide and direct our progress, I have a strong sense that this new year is one in which the Lord wants to: grow us in our walk with Him, and revive his work here.

At our Monthly prayer meeting, we were praying for revival here. Further thinking on this, with many who want to give us a 'method', or 'keys to growth', I grow in my conviction that every work of God has his hallmark on it, and the hallmark of his Church is the character and teaching of Jesus.

As we exalt Jesus himself, his name, his work on the Cross, and his teaching from the Bible, we will grow.

To this, I commit myself, and pray for each of us to be part of his mission to reach the world.

With love Jeremy & Claire

Prayer Space in Church

Prayer has always been at the centre of St Luke's Church. In the past we have had an area set aside for private prayer and it is really good to reinstate it again in front of the side altar.

Here you will find a quiet space to rest and contemplate or to pray or even to be prayed for, at any time the church is open.

On a Sunday between the morning services around 10.00am please come and join us in the prayer space to pray for the church.

May God, who gives this patience and encouragement, help you live in complete harmony with each other, as is fitting for followers of Christ Jesus. ⁶Then all of you can join together with one voice, giving praise and glory to God, the Father of our Lord Jesus Christ.
