

Jesus Christ is Lord

Dear St Luke's,

Lent started with a beautiful Ashing Service on Ash Wednesday, an expression of humility with echoes of Nineveh and the repentance of the people with sackcloth and ashes! I feel that we underestimate the part that actions like this play in transformation.

Lent is an opportunity to tackle longstanding blocks and patterns in our behaviours and believing. Transformation is what the Cross brings; the death of one thing and birth of something else. Change should be expected when Jesus comes in. Let us welcome him to come afresh into St Luke's. Have your way Lord!

With love, Jeremy and Claire.

Prayer Space in Church

Prayer has always been at the centre of St Luke's Church. In the past we have had an area set aside for private prayer and it is really good to reinstate it again in front of the side altar.

Here you will find a quiet space to rest and contemplate or to pray or even to be prayed for, at any time the church is open.

On a Sunday between the morning services around 10.00am please come and join us in the prayer space to pray for the church.
