Dear St Luke's,

We pray for 2024 to be blessed, and that we all grow in our knowledge of God.

An Epiphany is a 'revealing'. The feast is the celebration of the appearance of Jesus' true identity to the Magi, 'gentile' wise men, thought leaders and guides. Their response was to give symbolic gifts, reflecting their understanding of Jesus' identity.

Our ultimate response is to give our hearts unreservedly, for if He has our hearts, he has everything else! Our desire to please him then guides our actions.

Our love to you all as we all seek to follow Jesus with all our hearts.

Please pray for His Kingdom to come!

Inspirational Scripture Passage

And this is God's plan: Both Gentiles and Jews who believe the Good News share equally in the riches inherited by God's children. Both are part of the same body, and both enjoy the promise of blessings because they belong to Christ Jesus.
